RENEE BUTTERWORTH RETIRES

Renee Butterworth retired from her position as Historic Site Supervisor at Riverside on January 31, 2018. Renee has worked at Riverside for over 20 years! She actually first became involved at Riverside as a volunteer. She initially served as a community volunteer on the original nonprofit board, Farnsley-Moremén Historic Home, Inc. This group, in partnership with Jefferson County Fiscal Court and Liberty Bank, successfully raised the funds to restore the historic home and open it to the public in 1993. Renee has given tens of thousands of people tours of the Farnsley-Moremén House over the years—and those visitors have undoubtedly been charmed and delighted by the experience. Her love of Riverside shines through and she is an ambassador for us wherever she goes. You'll be happy to know that Renee intends to continue her relationship with Riverside by volunteering here regularly.
