VOLUNTEERS OF THE YEAR

Our original annual Volunteer Recognition Dinner had to be rescheduled early in 2018 due to high water levels on the Ohio. (The flood waters got within 60 feet of our buildings!) In March, we were finally able to host a crowd of about 80 people to honor Riverside’s volunteers for all of their many contributions to the site. This year, Jerry and Betty Rowland were honored as the 2017 Volunteers of the Year for their dedication to Riverside over the years. Jerry and Betty can often be found helping at Riverside’s special events. They also routinely help with mailouts and other similar projects. Volunteers like Jerry and Betty are the heart of Riverside!
