KITCHEN PROJECT

We are excited to announce that Riverside’s detached kitchen is getting some much-needed maintenance this summer thanks to HistoriCorps. In July, volunteers from near and far will descend upon Riverside for a two-week period: July 15-July 26 to replace the roof on the kitchen and do some other repairs to the building. HistoriCorps is headquartered in Denver, Colorado, but they do projects all over the country. HistoriCorps’ mission is “to save and sustain historic places for public benefit through partnerships that foster public involvement, engage volunteers, and provide training and education.” Expert historic preservation staff from HistoriCorps will oversee volunteers on the repair projects at Riverside. They have special permission to camp at Riverside for the duration of the project. We invite you to come out during the two weeks HistoriCorps volunteers are at work at Riverside and see what they are doing!

VOLUNTEER UPDATE

Volunteers have always been central to the success of Riverside. They perform many of the vital tasks that allow us to reach over 50,000 visitors per year. In April we were fortunate to have over 50 students from Beth Haven Christian School volunteer on site as part of their week of service. Just in time for the Mayor’s Derby Brunch, they descended like a small army to spruce the site up and ensure we were looking our best. Pulling weeds, painting picnic tables, mulching, clearing and cleaning were just a few of the tasks that the kids tackled. In total Beth Haven students donated 664 hours of their time in the four days they were here. That is over $15,000 worth of time. We are so appreciative of their time, effort and enthusiasm. We have also offered some training opportunities for our long-term volunteers. The Board sponsored a group to take part in Certified Tourism Ambassador training through Louisville Tourism. This training equipped our staff and volunteers with skills to help out-of-town visitors maximize their experience in our fair city. We are currently partnering with Farmington Historic Plantation in a volunteer docent exchange program. In February the group attended an interpretive training session at Bernheim Forest that explored how to weave interpretive themes into tours of the historic house. On May 13th our docents attended a tour of Farmington and discussed the importance of evidence-based interpretation. The next part of the exchange will be a conversation here at Riverside on interpreting difficult history in a responsible way. Our volunteers are the life blood of our site and we could not continue to survive and grow without them. We are grateful for their continued dedication and service.
OLD-FASHIONED ICE CREAM SOCIAL
SUNDAY, JULY 14
1:00 - 5:00 PM

CULTURAL PASS

Riverside is honoring the Cultural Pass again this summer on Tuesdays and Fridays from June 1 – August 10, 2019. Families who visit Riverside with the Cultural Pass will get a special tour of the house and the opportunity to dig with professional archaeologists on the current dig site. Cultural Passes can be picked up at any Louisville Free Public Library and allow a child (and an accompanying adult) to visit the 30+ cultural attractions on the pass FREE one time over the course of the summer pass period. For more info visit: https://fundforthearts.org/culturalpass/
